EXCERPT FROM THE STUDY RULES FOR THE THIRD STUDY CYCLE**Committee for supervision of preparation of dissertation****Article 25**

- 1) Upon successfully passing the qualification exam, third cycle student is assigned a Committee for supervision of preparation of dissertation (hereinafter: the Committee for supervision). Faculty Council proposes members of the Committee for supervision in the first meeting following the qualification exam and sends the proposal to the IUS Senate for final approval.
- 2) The Committee for supervision consists of three members, all of whom are appointed at IUS to the rank of assistant professor or higher academic rank with one of them being student's mentor.
- 3) If doctoral dissertation is in artistic field and a second mentor is appointed to the student, Committee for supervision will include both mentors plus one more member fulfilling conditions set in previous paragraph.
